

## **Mendel Samayoa**

*Colourful Latin-American Artist*

*Expressionistic Subjective Perspective*

*Dynamic Emotional Effects*

### Colourful Latin-American Artist

Mendel Samayoa is a Latin-American artist, who's mostly expressionistic style, art present scenes from a subjective perspective, distorting it radically for emotional effect.

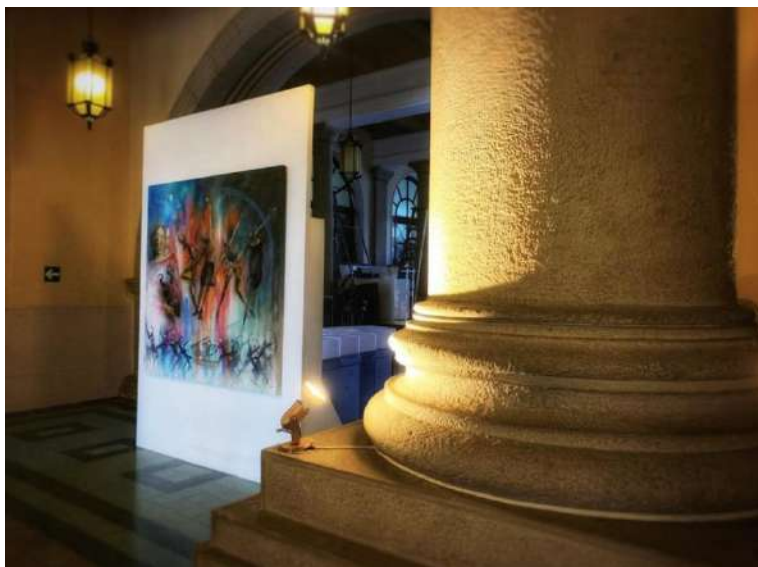

### Expressionistic Subjective Perspective

Great texture and movement are always present in his pieces.

As well as fantasy, innovation and freedom.

## Dynamic Emotional Effects

Mendel Samayoa had personal exhibitions in the National Palace and the Museum of Art in Guatemala in the year 2022.
