Birds and R(evolution)

Jonathan Ardon is a Latin-American artist, who is specialised in birds. He loves the concept that birds have no boundaries and limits. Just like his artwork.

Luxury Visual Atmosphere

Jonathan got invited by the UNESCO in Paris in 2022 to exhibit his works during the week of Latin American and Caribbean countries in Paris.

Technically Detailed Feelings

The way Jonathan puts his technical sense on canvas is truly unique. He has been rewarded with multiple prizes and he had solo exhibitions in top galleries in Latin-America, USA & Europe.

His works are present in private collections from exclusive art collectors.
